Message from the Academic Dean

Thank you for your interest in Maritime Christian College. God is at work in all our lives but for some we want more. Bible college provides classes where a student can dig deeper into God's Word. A systematic and structured approach with scheduled reading and assignment deadlines will provide the discipline necessary to discover God's wonderful plan to make himself known to all people. One can pursue an informal approach, but success increases with accountability and cost like any university program.

Today's technology has allowed education institutions to reach out to students in any location. A student can participate in online classes with Maritime Christian College's Populi Learning Management System (LMS). Each class will have feedback from the experienced professors as well as fellow students. Class interaction is essential in any education environment, as Proverbs 27:17 states, "*As iron sharpens iron.*"

The Biblical Studies program is designed for the high school student seeking a Christian worldview in preparation for academic studies in a university setting with a humanistic worldview. The Biblical grounding will enable the student to navigate through the many challenges a disciple of Jesus will encounter in their academic career.

Non-traditional students seeking either a Bachelor of Bible or Bachelor of Bible and Ministry Degree have benefited from the 4-year or 2-year program. Each degree will cover major portions of the Bible, theology, and practical aspects of ministry.

Likewise, the Disciple Maker Certificates in Church Leadership or Youth Disciple Making Ministry provide an intense grounding in the practical understanding of Jesus' methods to make disciples within their specific areas of focus. Instructors with practical experience will share their insights at the forefront of disciple making.

A disciple of Jesus is called to share the good news with all people. Each student will discover they have a sphere of influence of those friends and acquaintances they encounter every day. A formal Bible college education will equip the student to not only share their faith within their sphere of influence but equip others to do the same.

God bless,

A handwritten signature in blue ink that reads "Thomas Marshall". The signature is written in a cursive, slightly stylized font.

Incorporation

Maritime Christian College began as a vision among a group of Christian individuals who were intensely interested in the Lord's work in the Canadian Maritimes. The vision was fulfilled when the Government of Prince Edward Island, by granting Letters Patent, incorporated Maritime Christian College on January 19, 1960. Thus Maritime Christian College became Prince Edward Island's only Bible College.

Location and Facility

Maritime Christian College is located in Charlottetown, the capital city of Prince Edward Island.

For the first three decades the College shared facilities with a local church. In 1993 the College purchased its own campus at 503 University Avenue, which is adjacent to the University of Prince Edward Island.

This campus offers students exceptional facilities consisting of on-site residence, classrooms, library, student lounges, etc. The close proximity to the University also enables access to the University facilities, which include their library, cafeteria and sports facilities.

Affiliation

From its conception, Maritime Christian College has been affiliated with and supported by the Independent Christian Churches. These Churches are a part of the Restoration Movement, which began in the 19th century by such men as Alexander Campbell and Barton Stone. This Movement is based on a plea for unity among God's people by restoring the essential elements of Biblical Christianity. Through the years Maritime Christian College has been providing solid, Biblically-oriented education for Christian leaders who are preparing for a variety of ministry opportunities in the Maritimes and around the world.

Our Mission

Developing Christian leaders who transform their world by making disciples who make disciples.

Our Vision

- Educating students in a Biblical worldview
- Equipping students to become disciple makers
- Empowering students to embrace new methods of ministry while remaining grounded in Biblical truth

Our Core Values

- We honour the Bible and its authority.
- We practice Christ-like compassion.
- We cultivate partnerships with local churches.
- We exercise faithful stewardship of kingdom resources.
- We pursue excellence in all things.

Character

The character of the College is clearly defined in Maritime Christian College's Fourth By-Law.

The Maritime Christian College, in its endeavour to educate and equip men and women for Christian service, shall make the Bible its chief textbook, arrange all its courses of study and conduct its work in harmony with the spirit and letter of the Word of God. To this end every director, officer and teacher must be a member of the Church of Christ (undenominational) and must believe, without reservation, in the full and final inspiration of the Bible to the extent that it is to them the infallible Word of God and therefore the all-sufficient rule of faith and life; in the Deity and Supreme authority of Christ; obedience to the Gospel; the edification of the Church; and the restoration of its unity on the New Testament basis.

Believing that such faith and a church with a program in harmony with this faith are essential to the salvation of the world, the Maritime Christian College shall endeavor to so educate and inspire its students as to make them effective servants of Christ.

This school must be independent, separate and apart from all other agencies. While intending to antagonize none, but seeking the friendship and co-operation of all in proportion that like aims are cherished, the Maritime Christian College shall press on to train Christian workers to preach, teach and live Christ.

Our Learning Outcomes

Maritime Christian College has adopted five student learning outcomes that are relevant to the student in carrying out life long learning and ministry.

1. Live Faithfully.
2. Think Biblically.
3. Grow Intellectually.
4. Improve Professionally.
5. Learn Continually.

Accreditation

MCC is recognized by the province of Prince Edward Island as a degree-granting body through The University Act. MCC does have an agreement with Lincoln Christian College in the United States, and most Bible-based graduate schools are accepting of MCC's Bible college graduates. The recognition of specific MCC courses at secular universities is dependent upon their policies.

The courses of instruction at Maritime Christian College fall into three areas, each with several divisions:

Biblical and Theological Area:

Practical Area:

Christian Education (C)

ACADEMIC STANDARDS

Academic Work Load

A semester hour of credit represents one hour of classroom instruction per week for one semester. A student enrolled for 12 or more semester hours is considered a full-time student, however, 15 semester hours is considered a full load of course work. A student may not enroll for more than 18 semester hours without the permission of the Academic Dean. The College expects that a student devote at least 2 hours of study preparation and research for each hour of classroom instruction.

Grades

Maritime Christian College believes that a high academic standard is essential. Grades are necessary to measure the amount of knowledge which is adequate for successful completion of a course or a College degree. The following system of grading is used:

Letter	Description	Numerical Value	Grade Points
A	Excellent	96-100	4.00
A-		94-95	3.67
B+		92-93	3.33
B	Good	88-91	3.00
B-		85-87	2.67
C+		82-84	2.33
C	Average	78-81	2.00
C-		75-77	1.67
D+		72-74	1.33
D	Passing	68-71	1.00
D-		65-67	0.67
F*		0-64	0.00
P	Passing		0.00
I**	Incomplete		0.00
AU	Audited Course		0.00
W	Withdrew		
WP	Withdrew Passing		
WF	Withdrew Failing		

* Percentage of Failing grade will be computed toward student's numerical average.

** The incomplete mark is for the student who, due to extenuating circumstances, is unable to complete the final exam or other work for

a course by the posted end date for the course. In conjunction with the professor's agreement and the establishment of a schedule with due dates for completed work, the student will receive an Incomplete instead of a failing grade on their report card. Any Incomplete courses will not be applied to the student's overall G.P.A. If the assigned work is not completed by the set due date, a grade of F will be applied to the student's overall G.P.A.

Dean's List

A list of those students who have successfully completed a minimum of 15 semester hours with an average of 3.00 G.P.A. or above will be posted each semester.

- 1.00 after 1st semester
- 1.33 after 2nd semester
- 1.67 after 3rd semester
- 2.00 after 4th semester

Students in the Biblical Studies Certificate and Bachelor of Arts (Bible) Degree programs whose average falls below the above in any semester will be placed on academic probation for the following semester and may be required to lengthen the time for completing the remainder of their program.

Conditions of Probation

- Students must curtail extra-curricular activities until the end of their probation period.
- Students on academic probation must terminate their programs at the end of that semester if the probationary status is not removed or extended by achieving an average for the semester equal to or higher than that required. Exceptions must be approved by the Academic Dean.

- At the end of each semester, students on academic probation are considered by the Academic Dean, in consultation with the faculty if necessary, for the purpose of determining their future academic status.
- If a student does not meet the minimum requirements while on academic probation they must take a semester off and reapply with new references, essay and/or transcripts stating where they've been since they left school, what they have learned and what their plans are if accepted back into the program.

WORK OPPORTUNITIES

Charlottetown has a number of stores, restaurants, etc., where our students may obtain part-time employment to support themselves while attending classes at MCC. The number of hours of work and of classes per week should be balanced so that the student is not overburdened.

The Resident Life Assistant Work-Study Grant is awarded by Maritime Christian College to provide financial aid to the student chosen for the position of Resident Life Assistant for the semester. The work-study grant is equal to the value of a dorm room for the current semester and is to be applied directly to the student's account for his or her room.

STUDENT LIFE

Spiritual Life

At Maritime Christian College, it is expected that each student who has enrolled has done so for the purpose of growing in Jesus Christ. The atmosphere is one of helping each student prepare to serve the Lord.

Spiritual growth is an essential part of development in Christian servanthood. The College has regularly scheduled events like devotions and/or chapel where students, faculty and staff are challenged to live a Christ-like life. The outcome of an MCC education is to become an active disciple for Jesus.

Discipline

Maritime Christian College desires that students abide by a Christian moral conduct as based upon the Bible. The College endeavors to keep rules to a minimum in order not to hinder student life but does expect a high moral standard to be kept by the students.

We expect our students to be knowledgeable of the rules and regulations of Maritime Christian College as laid out in this Catalogue and the Student Handbook. Each student who enrolls is in effect consenting to abide by these regulations. Ignorance of and refusal to abide by the rules will lead to disciplinary action.

University of Prince Edward Island

Our proximity to the University of Prince Edward Island allows for frequent visits to their campus. MCC has made provision with the University, which allows College students access to many of their facilities. Students are encouraged to remember that their behavior should always reflect the highest in Christian morals.

SPECIAL EVENTS

Leadership Advance

Each fall the College hosts a Leadership Advance. This Friday evening to Saturday noon event provides leaders in the church a time of encouragement in their walk with God, an environment to talk with their colleagues and an opportunity to think and strategize how they can lead their churches to an even greater impact.

The Kenneth T. Norris Lectureship

Each year in March, the College hosts a series of lectures. These lectures began when the College was established and in 1980 became known as the Kenneth T. Norris Lectureship. The Lectureship provides an opportunity for the students, friends and supporters of the College to hear some of the most outstanding speakers from the fellowship of the Christian Churches or Churches of Christ in North America.

The week of the Lectureship is always a highlight, it is an action-packed and event-filled week with both morning and evening lectures. Friendships are made and renewed and the time of study and learning creates excitement which proves to be, for many, the spiritual apex of their year.
